

Diagram illustrating the construction of a landscape bench (cassonetto) with the following layers and dimensions:

- strato superiore in calcestr sp. 10 cm
- cassonetto in misto granulare di cava sp. 20 cm
- geotessile non tessuto

The diagram shows a cross-section of the bench structure, including the ground surface, the bench seat, and the underlying layers. A vertical dimension line indicates a height of 2 units for the bench seat. A red number '1' is placed on the bench seat, and a red number '2' is placed on the ground surface.
